

Rosemont 138kV Transmission Line Project

Preferred and Alternative Routes Jurisdiction and Ownership Exhibit A-1

Legend

Alternative Routes

- Preferred Route (Links - 20, 25, 60, 100, 105, 155, 140)
- Alternative Route 1 (Links - 20, 25, 60, 100, 130, 135, 95, 140)
- Alternative Route 2 (Links - 30, 110, 120, 105, 155, 140)
- Alternative Route 3 (Links - 30, 110, 120, 130, 135, 95, 140)
- Alternative Route 4 (Links - 30, 110, 150, 160, 190, 210)

Note: The alternative routes shown on the map are a graphical representation

Land Ownership

- Bureau of Land Management
- U.S. Forest Service
- Arizona State Land Department
- Unincorporated Pima County

Planning Jurisdictions

- Town of Sahuarita Incorporated Area

Rosemont Copper Company

- Rosemont Private Lands
- Mining Claim
- Rosemont Mine Plan of Operations Area

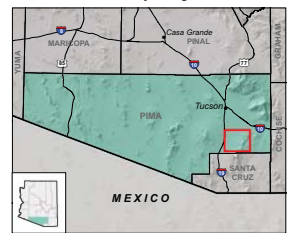

Project Features

- Substation or Switchyard Site
- Breaker Site
- Proposed Water Pipeline Alignment
- Project Study Area Boundary
- Link Identifier
- Reference Centerline of Alternative
- Milepost Identifier
- Link Node

General Reference Features

- Santa Rita Experimental Range Boundary
- U.S. Forest Service Boundary
- Bureau of Land Management Boundary
- Township Boundary
- Section Boundary
- 345kV Transmission Line
- 230kV Transmission Line
- 138kV Transmission Line
- 115kV Transmission Line
- 46kV Transmission Line
- Interstate
- Highway
- Secondary Road
- Railroad
- Arizona Trail - Existing
- Arizona Trail - Conceptual
- River/Wash
