## PROGRAM PROPOSAL

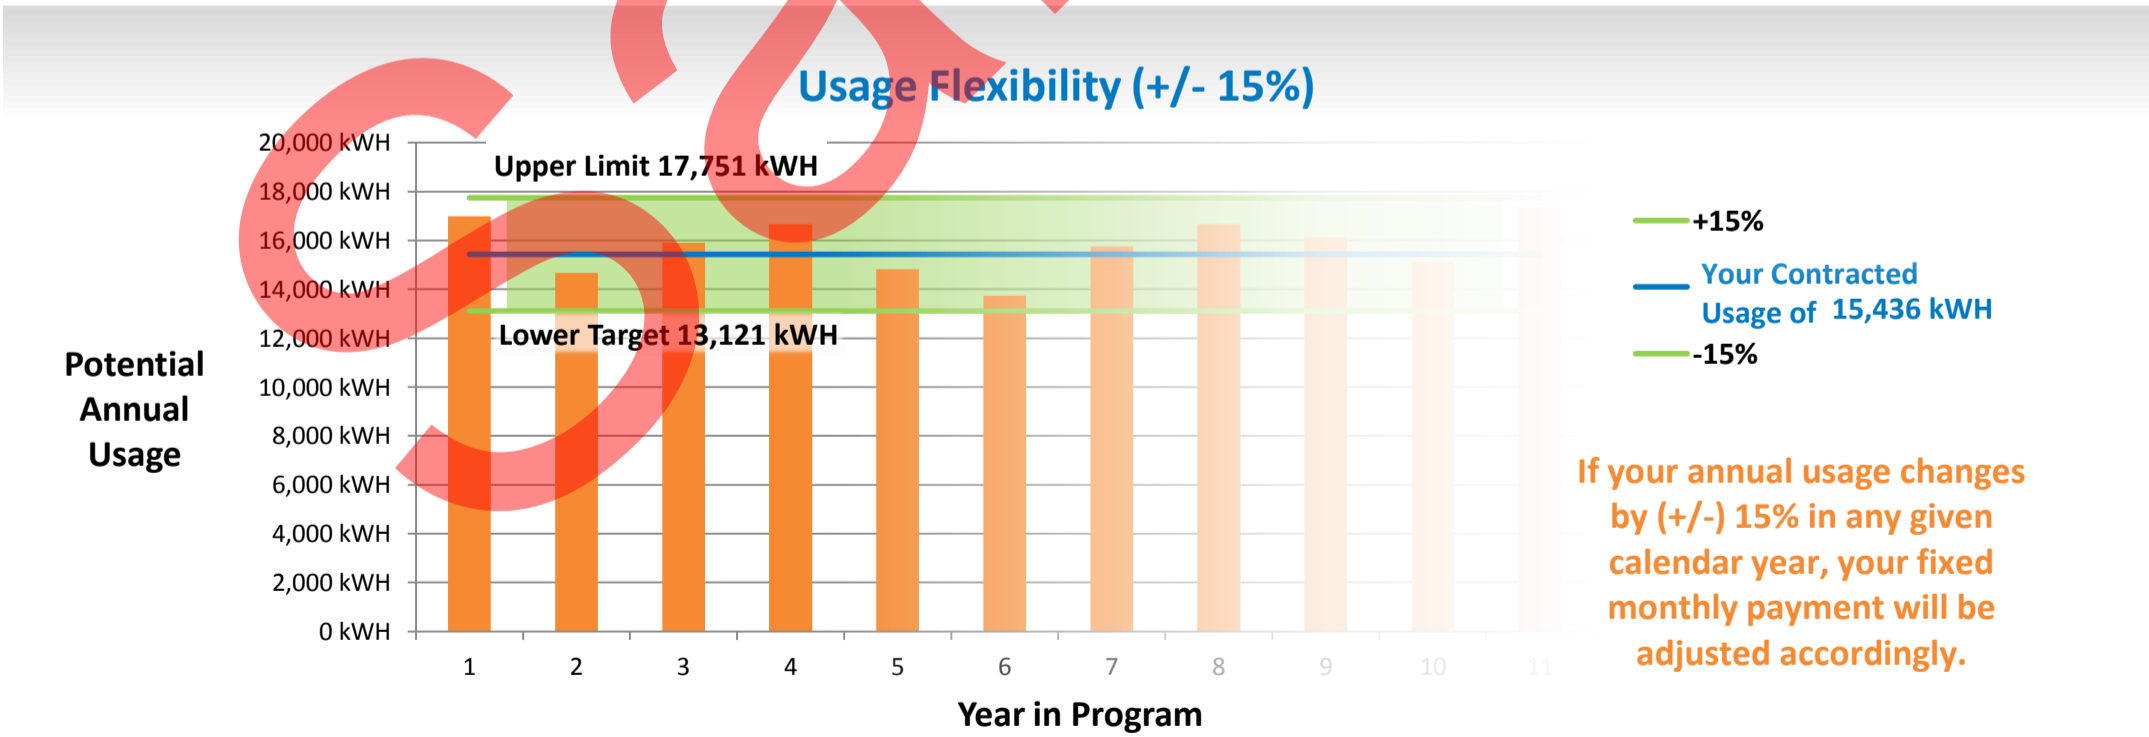

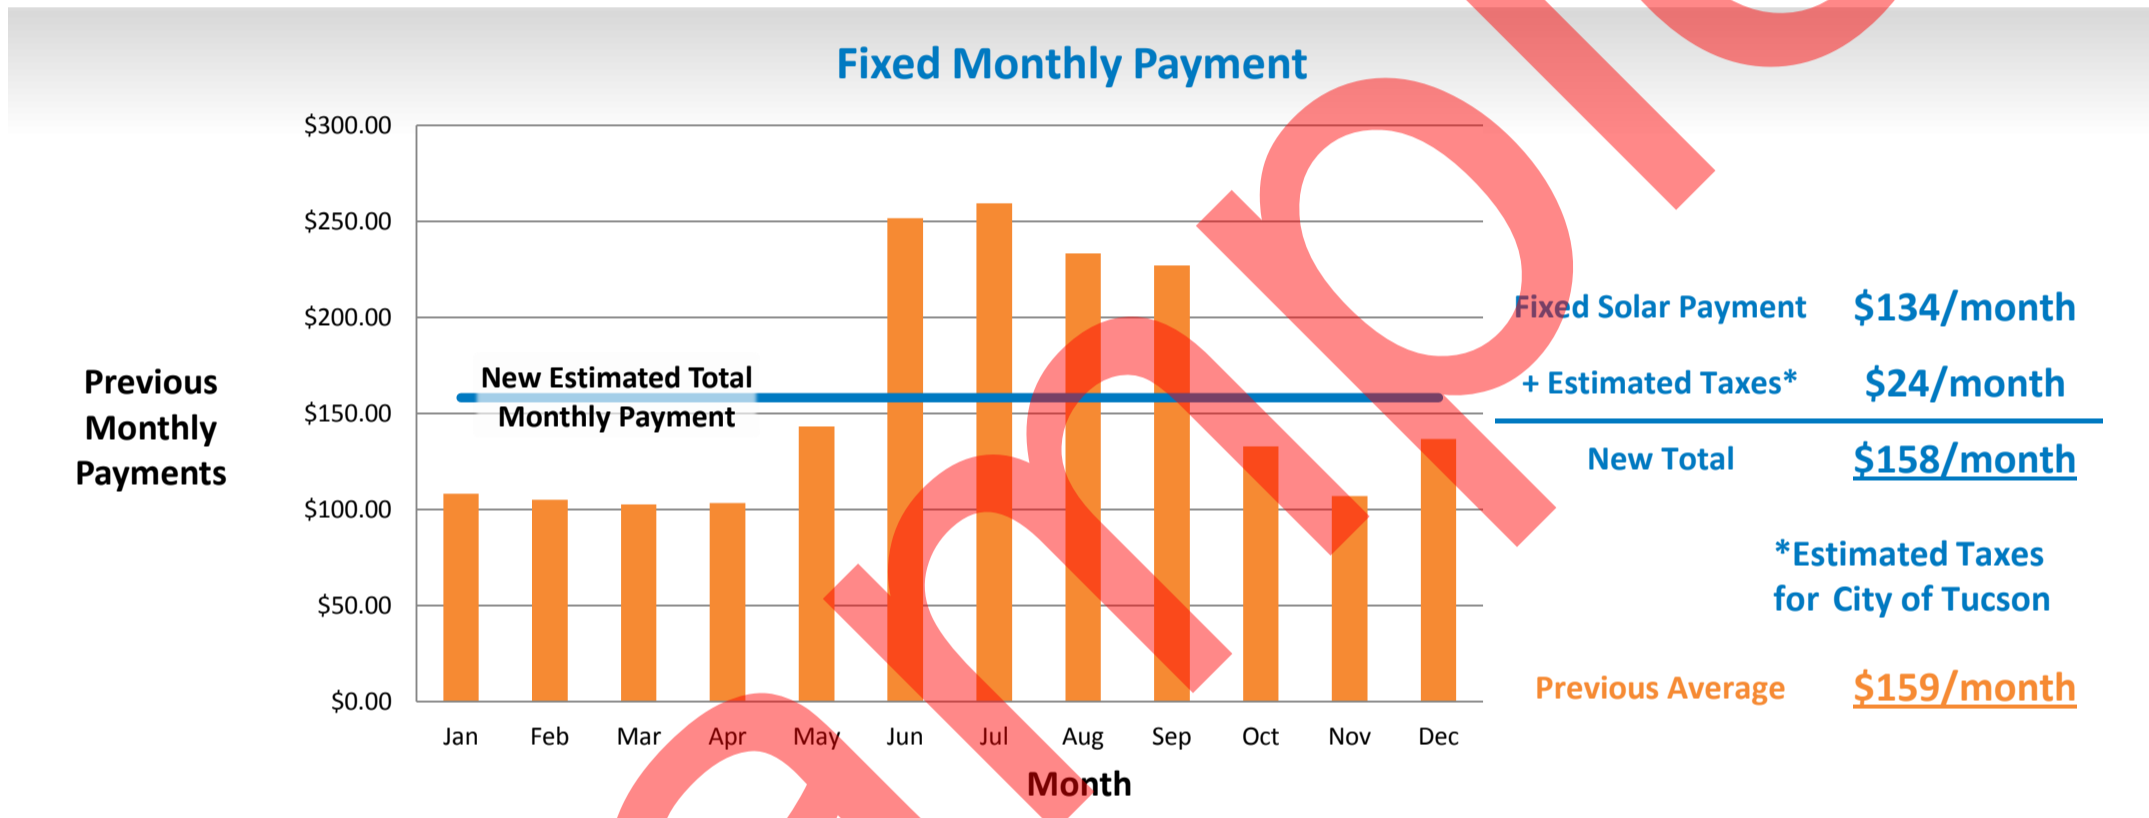

### Joe Solar

1234 S SunShine Street, Tucson, AZ 85719  
Contract #: TORS-TEP-00123  
TEP Account #: 123456789  
Tuesday, July 07, 2015  
Contracted Usage: 15,436 kWh

**System Size:** 7.02 kW DC  
**New Fixed Solar Payment:** \$134/month

### Scope of Work & Design Notes

- Design, installation and commissioning of a photovoltaic system, including:
  - All modules, inverters, racking, conduit, meters, and disconnects
  - Preparation and submittal of all plans and permits required for City of Tucson Development Services
  - Coordination of required inspections from TEP and City of Tucson
- Customer is required to disclose to TEP and its representatives any condition existing on the property that could cause damage or injury to equipment or personnel prior to commencement of the work.
- Once the system is operational, TEP will assess a one-time \$250 processing fee to Customer's bill.
- Taxes are estimated to be roughly \$23.79; this is an estimate only and not precise. New Solar Fixed Rate is exclusive of taxes, government charges and assessments.

**This system will be owned by TEP and interconnected on TEP's side of the meter.**  
**The New Solar Fixed Rate is not tied to the production of the system.**

### Conditions to Installation

Conditions, repairs or upgrades required as a condition for system installation:

- None

TEP Installation Contractor:

## Authorization to Proceed

Property Owners below have executed the Residential Solar Licensing Agreement ("Agreement") and have received a Customer Program Proposal ("Proposal") in connection with TEP's Residential Solar Program. Property Owners approve of the Proposal and agree that TEP may proceed with the installation of the system on the Property as set forth in the Agreement.

TO MAINTAIN YOUR RESERVATION PRIORITY, RETURN AN EXECUTED VERSION OF THIS FORM TO  
TEPResidentialSolar@tep.com FOR RECEIPT BY: July 21, 2015  
All Property Owners must execute this Authorization to Proceed.
