SECTION 4
MINIMUM CUSTOMER INFORMATION REQUIREMENTS

A. Information for Customers

1. The Company will make available upon Customer request not later than sixty (60) days from the date of the request, a concise summary of the rate schedule applied for by the Customer. The summary will include the following:

   a. The monthly minimum or Customer charge, identifying the amount of the charge and the specific amount of usage included in the minimum charge, where applicable;
   b. Rate blocks, where applicable;
   c. Any adjustment factor(s) and method of calculation; and
   d. Demand charge, where applicable.

2. Upon request of the Customer, either at the time of application or after, the Company will use its best efforts to assist the Customer in choosing an appropriate Rate. However, upon application for service or upon request for assistance, the Applicant or the Customer will elect the applicable Rate best suited to his requirements. The Company may assist in making this election, but will not be held responsible for notifying the Customer of the most favorable Rate and will not be required to refund the difference in charges under different Rates. The Customer is solely responsible for selecting the Rate the Customer believes is appropriate. If no Rate is selected; the Customer will be placed on the most common Rate for the class of service and the Company will not be liable to refund the difference in charges had the Customer been placed on different Rates.

3. Upon written notification of any material changes in the Customer's installation or load conditions, the Company will assist in determining if a change in Rates is desirable, but not more than one (1) such change at the Customer's request will be made within any twelve-month period.

4. The supply of electric service under a residential rate to a dwelling involving some business or professional activity will be permitted only where such activity is of only occasional occurrence, or where the electricity used in connection with such activity is small in amount and used only by equipment which would normally be in use if the space were used as living quarters. Where the portion of a dwelling is used regularly for business, professional or other gainful purposes, and any considerable amount of electricity is used for other than domestic purposes, or electrical equipment not normally used in living quarters is installed in connection with such activities referred to above, the entire premises must be classified as non-residential and the appropriate general service rate will be applied.
SECTION 4
MINIMUM CUSTOMER INFORMATION REQUIREMENTS
(continued)

5. Upon Customer request the Company will make available within sixty (60) days from date of service commencement, a concise summary of the Company’s Rates or the Commission’s Rules and Regulations concerning:

   a. Deposits;
   b. Termination of service;
   c. Billing and collection; and
   d. Complaint handling.

6. Upon request of a Customer, the Company will transmit a written statement of actual consumption for each billing period during the prior twelve (12) months unless this data is not reasonably ascertainable. But the Company will not be required to accept more than one such request from each Customer in a calendar year. The Company will charge the Customer for consumption history requests as set forth as Fee No. 17 in the TEP Statement of Charges. This charge will apply for each interval history request made or when Customers request their consumption history more than once in a 12-month period.

7. The Company will inform all new Customers of their right to obtain the information specified above.

B. Information Required Due to Changes in Rates

1. The Company will transmit to affected Customers a concise summary of any change in the Company’s Rates affecting those Customers.

2. This information will be transmitted to the affected Customer within sixty (60) days of the effective date of the change.
